The above amount is \$4,742.19 less than the \$336,675.20 amount reported by the Company in its 2006 Annual Statement. The Examiner using bank confirmations determined that the principal balance on a cash basis of its four (4) certificates of deposit was over overstated.

Summary Schedule for "Analysis Of Changes In Financial Statement"

The following depicts the change in surplus as outlined in the previous section of this report:

<u>Item</u>	<u>Surplus</u>	
	<u>Increase</u>	<u>Decrease</u>
Cash in Banks		\$4,742.19
	-----	-----
Totals	<u>\$0</u>	<u>\$4,742.19</u>

Comments on acts of officers and directors; any apparent violations of the Association's By-Laws, or of the laws of the State of Tennessee; general comments regarding the conduct of business:

Liability Premium Collected on Behalf of Farmers Mutual of Tennessee

The Company's 2006 Annual Statement reflected the collection and transfer of liability premiums collected from the Company's policyholders on behalf of Farmers Mutual of Tennessee. These premiums as shown on the Income and Disbursements Sections of the 2006 Annual Statement are not the Company's premiums. Therefore, these premiums collected on behalf of Farmers Mutual of Tennessee should not be shown on the Company's Annual Statements. The Company should only show commissions received from Farmers Mutual of Tennessee on the Income Section of its Annual Statement as compensation for writing these liability policies for Farmers Mutual of Tennessee.

Information Systems

The Company as of year-end 2006 using a general ledger account system manually accounted for all income and disbursements. The Company as of year-end 2006 utilized the AIMSpc Policy Management System to track policyholder membership and provide certain premium accounting functions. The Company used AIMSpc to record each policyholder's name, policy number, billing address, specific policy information for each risk insured, total amount of insurance in-force by policy, mortgage clause information and transfer forms. Also, the Company used AIMSpc to issue premium bills and record premium receipts on an individual policy basis.

Independent CPA

The Company employs an independent CPA to assist in preparation of its financial statements and tax returns.

Directors, Employees, Officers and Insurance Agent Insurance Coverage

The Company was the named insured of an Insurance Company Combined Professional Liability and Directors and Officers Liability Insurance policy as of year-end 2006. This policy was issued by the Scottsdale Insurance Company which is an approved surplus lines carrier in the State of Tennessee. The policy specified a \$5,000 deductible for each claim and the limits of liability were \$1,000,000 for each claim and \$1,000,000 in the aggregate for all claims for the Insurance Company Professional Liability and the Directors and Officers Liability coverage provided.

Also, the Company was the named insured of an Insurance Agents and Omissions Liability Insurance policy as of year-end 2006. This policy was issued by the Scottsdale Insurance Company which is an approved surplus lines carrier in Tennessee. The policy specified a \$5,000 deductible for each claim and the limits of liability were \$500,000 for each claim and \$500,000 in the aggregate for all claims for the Insurance Agents and Omissions Liability Insurance coverage provided.

Subsequent Events:

Policy Deductible Increase:

The Company's Board of Directors on March 5, 2007 approved an increase in each policy's deductible from \$50.00 to \$250.00. However, the Examiner on October 30, 2007 reviewed the Company's By-Laws currently in effect. Article XIII - Insurance, Section 1: Purpose and Contents of Insuring Agreement within the Company's By-Laws still referenced "a \$50.00 deductible on all losses". Therefore, it appears that the Company's By-Laws have not been amended to reflect the \$250 policy deductible amount approved by the Company's Board of Directors on March 5, 2007.

New Legislation Requirements for County Mutual Insurance Companies:

"The Tennessee County Mutual Insurance Company Act of 2006" required the Company to make certain changes to their Charter, By-Laws, Application Forms, Declaration Page, Policy Forms, Claim Forms, Stationary, etc. with the approval of the Tennessee Department of Commerce and Insurance (TDCI) prior to the January 1, 2007 effective date. Another important change involves the submission of future annual statements in accordance with NAIC Annual Statement Instructions and the NAIC Accounting Practices and Procedures Manual.

Revision of By-Laws:

The Company's By-Laws did not include the non-renewal provisions denoted in Tenn. Code Ann. § 56-7-1901 and Tenn. Code Ann. § 56-7-1902 in accordance with Tenn. Code Ann. § 56-22-109(b)(2) (effective January 1, 2007). Tenn. Code Ann. § 56-7-1901 states "Except as provided in § 56-7-1304, if an insurance company does not intend to renew a contract of any kind of personal risk insurance identified in § 56-5-302(5), the company shall mail or deliver to the named insured, at the address shown in the policy, notice of its intention not to renew at least thirty (30) days prior to the expiration of the policy". Tenn. Code Ann. § 56-7-1902(a) states "(a) Unless the non-renewal notice contains a reason for such non-renewal action, such notice shall advise the insured that upon written request of the named insured, mailed or delivered to the insurer not later than fifteen (15) days after the effective date of the non-renewal, the insurer will within twenty (20) days mail to the named insured a written statement specifying a reason for such non-renewal action."

Tenn. Code Ann. § 56-7-1902(b) states "(b) There shall be no liability on the part of, and no cause of action of any nature shall arise against, any insurer, its authorized representative, its agents, its employees, or against any firm, person or corporation furnishing information to the insurer, as to the reason for non-renewal".

Revision of Policy Forms:

The Company's policy form provided to the Examiner did not reflect the cancellation and non-renewal provisions disclosed in Tenn. Code Ann. § 56-7-1902 in accordance with Tenn. Code Ann. § 56-22-109(b)(2) (effective January 1, 2007). See the "Revision of Charter and By-Laws" comment above for the non-renewal provisions disclosed in Tenn. Code Ann. § 56-7-1902.

Revision of Application Forms:

The Company's application and claim forms did not contain the fraud warnings required by Tenn. Code Ann. § 56-53-111(b), which states: "It is a crime to knowingly provide false, incomplete or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines and denial of insurance benefits" on the Company's applications and claim forms."

Recommendations:

It is recommended that the Company implement the following measures of corrective action for purposes of complying with statutory requirements and accepted NAIC insurance accounting procedures pursuant to Tenn. Code Ann. § 56-22-109(a)(4):

1. Liability Premium Collected on Behalf of Farmers Mutual of Tennessee:

It is recommended that the Company only show commissions received from Farmers Mutual of Tennessee on the Income Section of its Annual Statement as compensation for writing these liability policies for Farmers Mutual of Tennessee.

2. Calculation of Premium Taxes During the Period of Examination:

It is recommended that the Company properly disclose the gross premiums subject to taxation on their calendar year-end Statement of Premiums and Fees for Taxation as reflected on their Annual Statements, pursuant to Tenn. Code Ann. § 56-22-114 and according to the tax return's instructions. The Company should calculate this amount by adding the total for Gross (Premium) Assessments and subtracting the total of Return Assessments remitted to policyholders as shown on the Income Section of its Annual Statement submitted to the Department according to the tax return's instructions.

Subsequent Events:

New Legislation Requirements for County Mutual Insurance Companies

3. Revision of By-Laws:

It is recommended that the Company update its By-Laws to include the non-renewal provisions contained in Tenn. Code Ann. § 56-7-1901 and Tenn. Code Ann. § 56-7-1902 in accordance with Tenn. Code Ann. § 56-22-109(b)(2) (effective January 1, 2007).

4. Revision of Policy Forms:

It is recommended that the Company update its policy forms to reflect the cancellation and non-renewal provisions of Tenn. Code Ann. § 56-7-1902 in accordance with Tenn. Code Ann. § 56-22-109(b)(2) (effective January 1, 2007).

5. Revision of Application and Claim Forms:

It is recommended that the Company revise its application and claim forms by adding the fraud warnings required by Tenn. Code Ann. § 56-53-111.

There were no other apparent exceptions of the Company's By-Laws, Tennessee Insurance Code or NAIC Accounting Practices and Procedures noted during the period under examination.

The complete and courteous cooperation of Mrs. Donna W. Jones, Secretary / Treasurer, extended during the course of the examination is hereby acknowledged.
